

A workshop for all parents and carers

Help Make Home Reading a Success

“How can I best help my child to read at home?”

It's one of the most common concerns for parents of primary school aged children.

Teachers are asked this question all the time and there are some simple steps for supporting your child's reading development.

This workshop will present 10 ideas to help make Home Reading enjoyable, successful and easy to manage.

When: Thursday, 19th March 2015

9:15am –10:15am

Where: Community Room

Light refreshments supplied

To allow us to adequately cater for this workshop, please complete and return this note to the office by Wednesday, 18th March.
