Term 1 Week 5

27th February 2018

From the Principal

Fundraising thanks!

Work has been completed on the installation of additional, shaded, bright red seating in the playground area near the K-2 classrooms. This purchase has been funded by the school's P&C Association – so a massive thank you to everyone who supported P&C-led fundraising activities during 2017 – it's great to see that the results of your support will be enjoyed by our boys and girls.

Information opportunities

If you need advice regarding completion of **High School applications** for 2019, Mrs Hamilton will be available to assist this Thursday (March 1st) during our 'Meet the Teacher' function.

If you would like information on how best to use our '**Wushka**' online reading facility with your child, a demonstration session will be held at 2.15 on Monday March 5th, or during Welcome Evening on Tuesday March 13th.

Zone Swimming Carnival

What an amazing day! All 25 students should feel extremely proud of their efforts in and out of the pool. Rooty Hill made such a positive impact with impressive swimming and excellent sports citizenship.

Once qualifying times and the judges reports are finalised we will receive confirmation of who has

qualified for the next level. We are all crossing our fingers and waiting excitedly for the news.

Our Junior Girls relay team (Monique Robert, Keira Papworth, Georgia McAndrew and Vivian Fishlock) placed second.

The Senior Girls relay team (Lena York, Victoria Brockway, Maria Halatanu and Maxine Ortiz) powered through, overtaking the competitors and placing 3rd.

The super fish Senior Boys relay team (Logan Lloyd, Lachlan O'Leary, Alex Perry and Dylan Loughton) came first by nearly an entire length of the pool!

Calendar

After the relays the parents and other students had lost their voices from all the cheering and celebrating. A huge thank you to Mrs McAndrew, Mr Perry and Mr and Mrs Loughton for helping myself and the relay teams prepare by sharing your tips and swimming knowledge with us all.

Aiden Moules and Ebony Dunwell were our young Year 2 competitors. They both should feel very proud of how hard they tried and for both being able to swim the entire length of the 50m pool. We can't wait to see what you both do with a few more years' swimming experience behind you. Congratulations to our Year 6 students Lachlan O'Leary, Maxine Ortiz, Maria Halatanu, Tyson Lees, Rem Chavez, Ella Fishlock and Logan Lloyd for competing in your final primary school swimming carnival.

Rooty Hill received impressive feedback at the carnival from other schools and carnival officials. Our students and adult supporters encouraged and congratulated students from other schools and were always respectful of the rules and competitors. Mrs Malecki also received a phone call from another school's parent thanking our school for supporting their only student representative.

It was great to see so many parents and grandparents assist with transporting students and supporting the swimmers as they competed. Many stayed to watch the entire carnival even though their child was only swimming in the first few races.
